IMPORTANT INFORMATION

This document, provided by Legg Mason Asset Management Singapore Pte. Limited ("Legg Mason"), is for information only and does not constitute an offer or solicitation to buy or sell any units in any fund. The prospectus of the fund is available and may be obtained from Legg Mason or its authorised distributors. **Investors should check with Legg Mason or its authorised distributors on whether a particular class of the fund is available for subscription. Investors should read the prospectus prior to any subscription. All applications for units in the fund must be made on the application forms accompanying the prospectus. Past performance is not necessarily indicative of future performance. All investments involve risk, including possible loss of principal. The value of the units in the fund and the income accruing to the units, if any, may fall or rise.**

The CPF interest rate for the Ordinary Account (OA) is based on the 12-month fixed deposit and month-end savings rates of the major local banks. Under the CPF Act, the Board pays a minimum interest of 2.5% per annum when this interest formula yields a lower rate. The interest rate for the Special, Medisave and Retirement Accounts (SMRA) will be pegged to the 12-month average yield of 10-year Singapore government securities plus 1%. For the year 2010, the minimum interest rate for the SMRA is 4.0% per annum. After 31 December 2010, the 2.5% per annum minimum interest rate, as prescribed by the CPF Act, will apply to the SMRA. In addition, the CPF Board will pay an extra interest rate of 1% per annum on the first S\$60,000 of a CPF member's combined balances, including up to S\$20,000 in the OA. The first S\$20,000 in the OA and the first S\$30,000 in the Special Account may not be invested under the CPFIS. With effect from 1 July 2010, the first S\$40,000 in the CPF Special Account will not be allowed to be invested under the CPFIS.

The mention of any individual securities / funds should neither constitute nor be construed as a recommendation to purchase or sell securities, and the information provided regarding such individual securities / funds is not a sufficient basis upon which to make an investment decision. Portfolio allocations, holdings and characteristics are subject to change at any time.
