If you are in any doubt as to the action you should take, you should seek advice from your investment consultant. However, unless you wish to place an order to purchase, redeem or exchange shares of Legg Mason Global Funds Plc (the "Company"), you do not need to act following receipt of this document.

If you have sold or transferred all of your shares in the Company, please pass this document at once to the purchaser or transferee or to the stockbroker, bank or other agent through whom the sale or transfer was effected for transmission to the purchaser or transferee as soon as possible.

Unless otherwise defined in this document, all capitalised terms have the same meaning as capitalised terms used in the Company's prospectuses dated 14 January 2019 (collectively, the "Prospectus"). Copies of the Prospectus, as well as the Constitution and the latest annual and semi-annual reports of the Company are available free of charge upon request during normal business hours from the registered office of the Company or from the local representatives of the Company in the jurisdictions in which the Company is registered for public distribution, as set out in Schedule B.

Please note that the Central Bank of Ireland (the "Central Bank") has not reviewed this letter. The Directors accept responsibility for the accuracy of this notice.

Dear Shareholder,

**RE: Amendments to the Prospectus**

We are writing to you, a shareholder in the Company, to notify you of certain changes that are to be made to the Prospectus, which are summarised as follows:

**I. Changes Relevant to All Funds**

**1. *Appointment of Manager and Changes to Investment Manager and Sub-Investment Managers***

The Prospectus will be updated to reflect, among others, the appointment of Legg Mason Investments (Ireland) Limited ("**LMI Ireland**") as the management company of the Company, effective from the Effective Date (as defined below). LMI Ireland is authorised by the Central Bank to act as management

**Registered Office:** as above  
**Company Registration Number:** 278601  
An umbrella fund with segregated liability between sub-funds  
**Directors:** Joseph Carrier (USA), Brian Collins, Fionnuala Doris,  
Joseph Keane, Joseph LaRocque (USA), Jane Trust (USA)

company for Undertakings for Collective Investment in Transferable Securities (UCITS) such as the Company. LMI Ireland will be responsible for carrying out the investment management, administration and distribution functions of the Company. With the appointment of LMI Ireland as management company, Legg Mason Investments (Europe) Limited will no longer act as Investment Manager. Certain entities currently acting as Sub-Investment Manager for the Funds will be appointed as the new Investment Manager or Sub-Investment Manager (if applicable) to the same Funds by LMI Ireland. For further details, please refer to the table in Schedule A which sets out the existing and new investment management delegation structure for each Fund. LMI Ireland will be added as a party to certain material contracts to which the Funds are currently party, and this be reflected in an updated list of material contracts in the Prospectus.

The appointment of LMI Ireland and related investment management restructuring is part of the strategy of the Legg Mason Group to establish Ireland as the base for its European operations, in light of the expected exit by the United Kingdom from the European Union.

## **2. Valuation Basis**

Currently, securities other than bonds which are traded on a Regulated Market are valued based on the latest available traded price, and bonds which are traded on a Regulated Market are valued based on the closing bid price. From the Effective Date, the valuation basis for all securities held by the Funds will change to the latest available mid-price (the “**Pricing Change**”).

The Pricing Change is being made because the latest available mid-price is a more uniform standard across global markets.

On the Effective Date, the Pricing Change is expected to affect the Net Asset Value of the Funds and will in turn impact the subscription and redemption prices of the Funds. The impact is expected to be immaterial, although this cannot be guaranteed.

## **3. Application of Dilution Adjustment to Fixed Income Funds**

The Pricing Change is expected to impact the application of the dilution adjustment for Fixed Income Funds. In particular, pricing bonds at the mid rather than bid price should allow the Fixed Income Funds to apply dilution adjustments on both subscriptions and redemptions. This will align the dilution adjustment practice for all Funds (except for Legg Mason Western Asset US Government Liquidity Fund and the Legg Mason Western Asset US Dollar Liquidity Fund). As disclosed in the Prospectus, when pre-determined thresholds for net daily subscriptions or redemptions for a particular Fund are exceeded, the Fund will apply a dilution adjustment to protect shareholders against the costs associated with significant subscriptions or redemptions. In these circumstances the Fund will adjust the Net Asset Value downwards in the case of large net redemptions, or upwards in the case of large net subscriptions.

Currently, dilution adjustments are not applied in the event of net redemptions from Fixed Income Funds but are applied in the event of net subscriptions into Fixed Income Funds. In the case of net redemptions, there are no spread/dealing costs to take into account upon the sale of bonds, as they are currently priced at the lowest possible price available (the bid price). Therefore, no dilution adjustment is applied. This will change with mid pricing – there will be a clear spread to take into account upon the sale of bonds,

and thus a basis for applying a downward dilution adjustment. The Pricing Change will allow the Fund to apply this more consistently to both redemptions and subscriptions.

#### **4. *European Benchmark Regulation***

As the 1 January 2020 deadline for EU benchmark providers to apply for authorisation or registration with the ESMA benchmark register approaches, the Company is ensuring that benchmarks used by the Funds are progressively included in the register and updating the Prospectus accordingly.

The Company's plan in the event of a material change or cessation of a benchmark will also be reflected in the Prospectus.

#### **5. *Securitisation Regulation***

Disclosure is being added to describe new EU securitisation regulation applicable to the Funds. Securitisations are a type of debt instrument whereby the credit risk associated with the securitisation's exposure is divided into portions (called tranches). Under the new rules, those Funds that buy securitisations may only buy those securitisations whose issuer, sponsor or original lender retains at least a 5% net economic interest in the securitisation. An effect of this regulation is that certain securitisations which were previously eligible for purchase by the Funds are no longer eligible.

## **II. Changes to Certain Funds**

1. The Fund Supplements of the following Funds will be updated to reflect the inclusion of credit-linked notes as an additional instrument type in which the following Funds may invest:

### **III. Impact and Effective Date of the Changes**

The changes set out in this notice do not affect the overall features and risk profile of the relevant Funds, nor will they materially prejudice the rights or interests of existing Shareholders of the relevant Funds. There will also be no material change in the operation and/or manner in which the relevant Funds are being managed and there will be no change in the fee structure, the fee level or cost in managing the relevant Funds.

The costs and expenses incurred which arise from or are incidental to the above changes will be borne by the Funds, including legal and administrative costs, and will be allocated amongst the Funds on a fair and equitable basis. Such costs will not be material and will be charged to the Funds.

All changes set out in this notice will take effect on the date the revised Prospectus (reflecting the abovementioned changes) has been approved by the Central Bank (the “**Effective Date**”). It is expected that the Effective Date will be 22 March 2019, or such later date as will be communicated to Shareholders on [www.leggmasonglobal.com](http://www.leggmasonglobal.com) (and by email to those Shareholders who have provided an e-mail address to the Company). If you prefer that the Effective Date be communicated to you by other means, please contact the Company, the Administrator or your local representative or paying agent as set out in Schedule B.

### **Redemption of Shares**

Shareholders who do not wish to remain in a Fund following the implementation of any of the above changes may redeem their Shares by following the usual redemption procedures as set out in the Main Prospectus of the Company. Where applicable, redemptions of Shares will be subject to a contingent deferred sales charge as set out in the Prospectus.

Should you have any questions relating to the matters, you should contact your distributor or Legg Mason representative.

Yours sincerely,

---

Director  
For and on behalf of  
Legg Mason Global Funds Plc
